**In 2013 UNFPA delivered contraceptives
to 118 countries, providing 56 million
couple years of protection**

UNFPA Procurement Services Branch Strategy: Delivering supplies for reproductive health results

**Empowered and
dynamic
procurement and
supply chain practice**

**Broaden focus from
transactional activities
towards supply chain
management**

**Develop third
party
procurement
services that
work with and
leverage
national
systems**

Market Shaping Activities

Market Shaping Activities

Significant RHC price reductions and savings 2013

Commodity	2012 Unit Price	2013 Unit Price	% Savings
Implant - Jadelle	\$18	\$8.5	53%
Implant - Implanon	\$16.5	\$8.5	49%

**Price reductions achieved through the collaborative efforts of
UNFPA, the Reproductive Health Supply Coalition, and the
Donor Community**

Market Shaping Activities Quality Assurance

2011

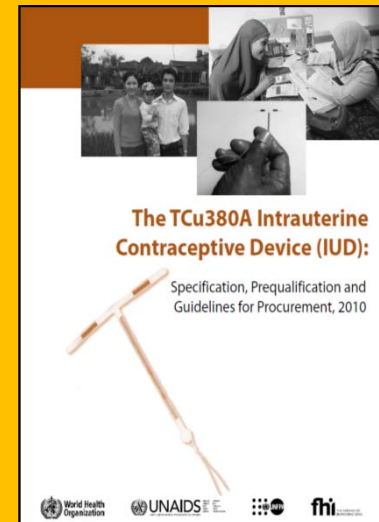

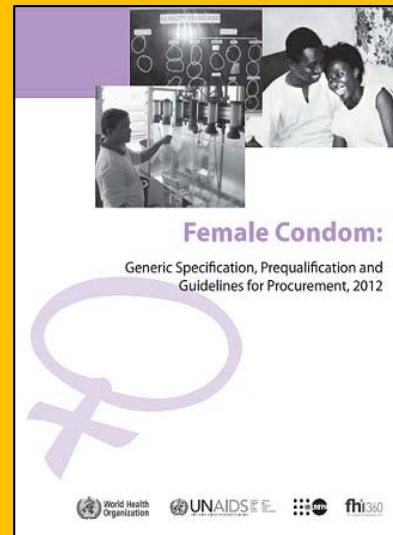

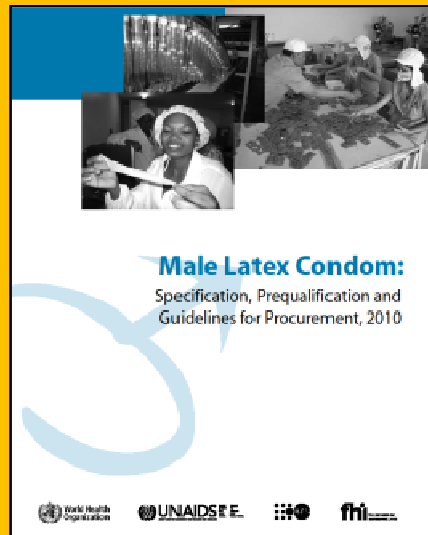

**Expert Review Panel (ERP)
established to increase the amount of
RH medicines that are quality assessed
By WHO**

12

**Products met minimum requirements and are
recommended for procurement for
the public sector for a limited period**

Market Shaping Activities Quality Assurance

UNFPA/WHO Specifications, prequalification and guidelines for procurement

**Market Shaping Activities
Forecasting
UNFPA/USAID Collaboration**

2014

**Build processes and systems that
can support joint forecasting
between UNFPA and USAID**

**Better alignment
between supply and
demand to reduce
lead times and
avoid stock-outs**

**Collaborative
planning with
suppliers to increase
their commitment as
well as create
potential for new
suppliers entering the
market**

**Increase demand
visibility for donors
allowing for
increased donor
commitments**

**Early fund allocation
and bulk POs can
result in price
reductions and
reduce costly
emergency air
shipments**
