Prospective trial results from a study of Riders for Health's work in Zambia found:

- Increased motorcycle availability and use
- Increased health worker productivity
- Increased trips to more remote communities
- Improved community perceptions of health care system performance
- Equal fleet cost-per-kilometre between Riders and Ministry

STANFORD GRADUATE
BUSINESS SCHOOL OF

A mobilised health worker can reach up to
six times more people
and spend **twice as long** with their patients

FAiLURE!

A graphic featuring the word "FAILURE!" in a bold, white, sans-serif font. The word is centered within a dark blue, multi-pointed starburst shape that has a thick yellow outline. The entire starburst is set against a solid orange background. The word is written in a slightly irregular, hand-drawn style, with the 'i' in "FAILURE" being lowercase and the 'E' at the end having a large exclamation mark.
