USAID | Deliver Project

# THE DIVIDE

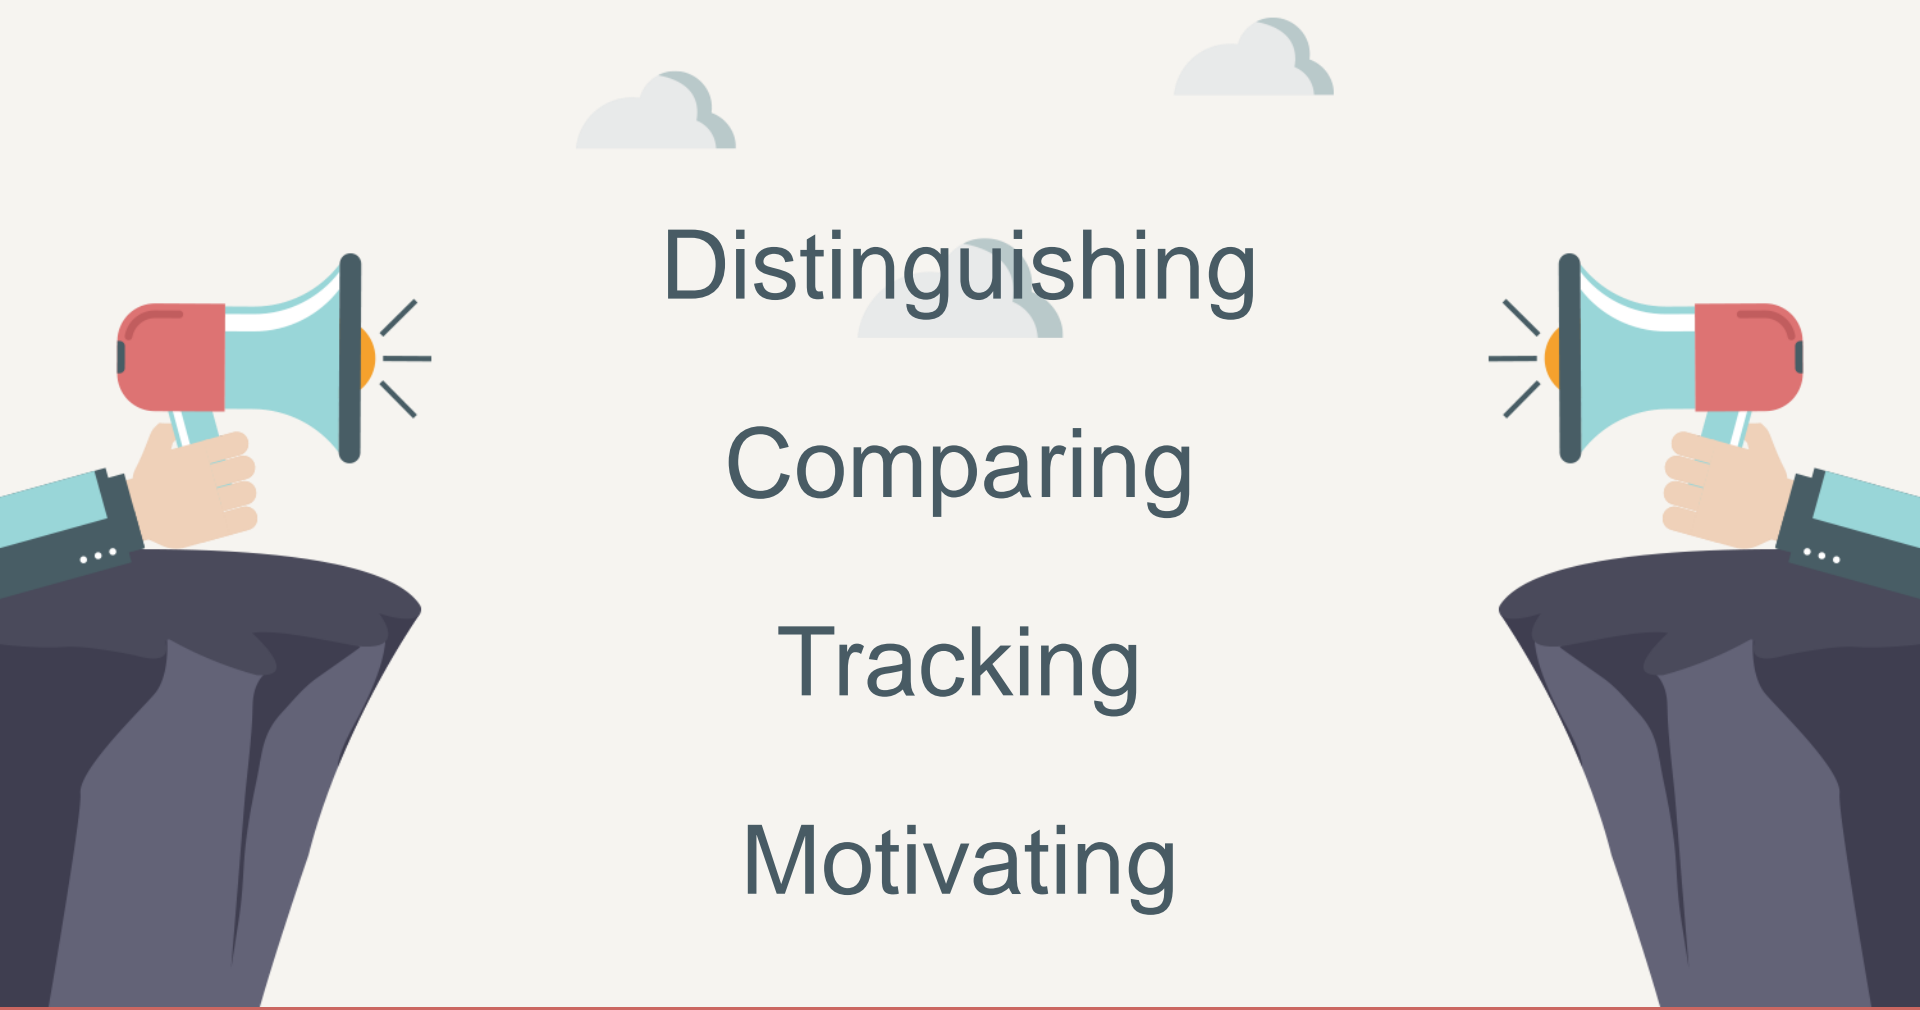

What percent of all health facilities do not have the product today?

What percent of facilities that offer the product do not have the product today?

What percent of these facilities had a stockout of the method any time in the last 6 months?

# THE DIVIDE

By 2016

the world's largest bilateral, multilateral, and non-governmental providers of reproductive health services will be

reporting stockout data to

FP2020 on annual basis

using a common set of indicators

and one universal indicator

# RHSC'S COMMITMENT

1. Develop a common language
2. Put our new language to effective use
3. Inspire action and drive conversation
4. Invest in solutions to add value
5. Bring new partners to the conversation
6. Launch a call to action

# IMAGINE THE IMPACT

Rwanda – population 12 million

43 maternal deaths averted

543 infant deaths averted

21,111 induced abortions averted

37,570 unintended pregnancies averted
