

# WHO List of Prequalified Medicinal Products

Printed from WHO prequalification web site (<http://www.who.int/prequal/>) on 2009-Sep-29 15:29 GMT.

For information about the listing of prequalified products and the alternative approval procedure, please see "General information" at [http://www.who.int/prequal/info\\_general/notes\\_registry.htm](http://www.who.int/prequal/info_general/notes_registry.htm).

## Legend:

"+" means combination product, both fixed-dose combination (co-formulated) and co-packaged product (i.e. co-blisters)

[A+B] + C means A and B are in a fixed-dose formulation and C is co-packaged

"\*\*" refers to products approved by both WHO Prequalification Programme and US FDA

USFDA1 - approved by USFDA; USFDA2 - tentatively approved by USFDA
