18TH GENERAL MEMBERSHIP MEETING OF THE REPRODUCTIVE HEALTH SUPPLIES COALITION

Wednesday, 21 March

TIME	EVENT	CONTENT
08:00	MEET AND GREET COFFEE	Participants are invited to come early for coffee and to meet and greet one another in the lobby area in front of the plenary room.
08:30	SESSION 1 Opening Plenary: Welcome, Introductions and State of the Coalition (Plenary Room)	Welcome Remarks, Monsieur Alassane Mbengue , Secrétaire general, Ministère de la Santé et de l'Action Sociale, Sénégal Opening Remarks, John Townsend , Chair, Executive Committee, RHSC Program, Methodology & Introductions State of the Coalition: John Skibiak , Director, RHSC
10:00	COFFEE BREAK	
10:30	SESSION 2 RH Supplies "Pour Elle" in Francophone Africa (Plenary Room)	Panel Discussion: Moderated by Fatimata Sy , Director of the Ouagadougou Partnership, this session will celebrate the impressive progress that has been made in Francophone Africa in reproductive health, will discuss that uniqueness of the region and some of the challenges and innovative solutions that have been developed, and will seek to inspire fresh ideas to ensuring that the right products get to "Her" at the right time. Panelists: Dr Omar Sarr , Director of Reproductive Health and Child Survival, MOH, Senegal; Dr Arsène Binanga Director of Family Planning Programs for Tulane University in Kinshasa, DRC; Maryjane Lacoste , The Bill and Melinda Gates Foundation;
11:30	SESSION 3 Breaking Down Silos: the Global Family Planning VAN and Innovation (Plenary Room)	Interactive session: Moderated by Julia White from the RHSC, this session will unpack the basics of a new Coalition-managed initiative to increase supply chain visibility through a Global Family Planning Visibility and Analytics Network (Global FP VAN). It will ground the Global FP VAN work in RHSC's history and highlight the recurring questions/challenges it is trying to answer. An interactive session will invite audience members to participate in table conversations with Global FP VAN partners from USAID, UNFPA, DFID, the Bill & Melinda Gates Foundation, manufacturers and countries (Malawi & Nigeria) to explore the Global FP VAN's innovative approaches to system selection, data management, data sharing, and country linkages.
12:30	LUNCH	Foyer - First Floor
