0915-0930	Executive Committee Report Julia Bunting (DFID)	Summary of discussions and decisions taken at the previous day's Executive Committee Meeting
0930-1005	State of the Coalition John Skibiak (RHSC)	Coalition activities and achievements since the last membership meeting in London
1005-1030	Keynote Speech - Dr Stephen Malinga	RHCS in Uganda – Minister of Health Uganda
1030-1100	Tea/Coffee Break	
1100-1230	Advocating for Supplies Sarah Shaw (IPPF) Jackson Chekweko (RHU) Christa Cepuch (HAI) Denis Kibira (HEPS-Uganda & Stop Stockouts Campaign) Wendy Turnbull (PAI)	These presentations will explain how, through advocacy there have been increased commitment from the governments of countries for supplies following actions by non-governmental organisations. A case study from Uganda will be followed by the "Direct Action" approach of stopstockouts. The session will conclude with the idea for making a short documentary film with the responsibility for supplies as its theme from PAI – including a screening of the film itself.
1230-1330	Lunch	
1330-1415	Special Interest Topics – 2 parallel sessions with 2 presentations (participants can switch rooms after first presentation if required)	
1420-1515	<div style="border: 1px solid black; padding: 5px; margin-bottom: 10px;"> <p style="text-align: center;">Pledge Guarantee for Health Mechanism</p> <p>Presentation of the initial deals that have been initiated and explanation of how this can work for many different stakeholders in the RH community (Kevin Starace, UNF)</p> </div> <div style="border: 1px solid black; padding: 5px; margin-bottom: 10px;"> <p style="text-align: center;">Market Segmentation and TMI in Honduras: Presentation of the successful strategy in Honduras where the market segmentation approach led to a re-forming of the CS Task Force – short film (Pam Riley, Abt Associates)</p> </div> <div style="border: 1px solid black; padding: 5px; margin-bottom: 10px;"> <p style="text-align: center;">Maternal Health Supplies: Linking Maternal Health and Reproductive Health Supplies – Case Studies from Bangladesh and Uganda Rosemarie Muganda Onyando (Centre for the Study of Adolescence and PAI) - Moderator Robina Biteyi (WRA, Uganda) Shabnam Shahnaz (Pathfinder Int - Bangladesh) Elizabeth Leahy Madsen (PAI)</p> </div> <div style="border: 1px solid black; padding: 5px;"> <p style="text-align: center;">Country Showcase Tanzania: [UMATI, MSI-T, RCHS/MOH, DELIVER]Although there is a basket funding operation for contraceptive supplies the country is sometimes short of the expected commodities creating regular shortages in some methods. Panel presentation and discussion by Tanzanians from their perspective and possible solutions</p> </div>	
1515-1545	Tea/Coffee Break	
1545-1730	Importance of Quality for RH supplies Chair: David Smith (UNFPA) Peter Hall (Concept) Hans Hogerzeil (WHO prequalification programme) Sophie Logez (GFATM) Hans Verner (consultant) Ben Light (UNFPA)	This session stresses the importance of quality for RH commodities and explains why quality should be an issue of concern to procurers, donors, advocates and industry. Several mini presentations around the WHO pre-qualification process as follows: <ul style="list-style-type: none"> • Why quality is important: scene setting • Progress report and plans from the WHO Prequalification Programme • Experience with prequalification of non-RH supplies • Industry perspectives on quality • Outcomes and ways forward from quality meeting
1730-1745	Wrap-Up Day 1 Julia Bunting (DFID)	Wrap up for the day and expectations for Day 2

DAY 2: Friday 28 th May										
0830-0850	Assemble									
0850 - 0900	Welcome and Introduction Julia Bunting (DFID) Jotham Musingusi (PPD)	General introduction to Day 2 by the joint Chairs								
0900-0955	Contraceptive Security and Long Acting Methods Roy Jacobstein (Engenderhealth)	As we all work to “revitalize” FP, the need to ensure contraceptive security is properly a fundamental emphasis in our advocacy. But without fully and explicitly including IUDs, implants, vasectomy and female sterilization in contraceptive security strategies and plans, contraceptive security will be incomplete. Presentation followed by Q&A.								
0955-1010	Professionalizing Supply Chain Management – Tracey Brett (MSI)	Public health supply chain managers typically do not have the needed technical skills or training. The Coalition has developed a workstream to change that. This session will highlight what you and your organization can do to help.								
1010-1030	Caucus Reports (Ian Askew and Maria Cristina Ramirez)	Report back from the Caucus on New and Underused Reproductive Health Technologies and the new Caucus on Latin America								
1030-1100	Tea/Coffee Break									
1100-1200	Working Group Updates in 3 breakout groups: Each WG leader will provide a presentation on the work of their WG to an audience made up of participants from one of the other WGs. After Q&A, the WG leader will provide the same presentation to members of the other WG. Working group members stay in the same room – WG leaders move to each group
