

Systems Strengthening Working Group

Ellen T. Tompsett and Johnnie Amenyah

5 October 2015

SSWG Purpose

- Aims to strengthen the global, regional, and country systems needed to ensure reliable and predictable reproductive health (RH) supplies.
- Ensure that these systems are better aligned, more data-driven, and more coordinated.

SSWG Objectives

- Learn: Raise Awareness on role of systems and their impact on availability, equity, quality and choice of RH supplies
- Share: Exchange ideas and knowledge about SS
 - Focus on efficiency of the supply chains
 - Draw from relevant trends and developments
- Act: Neutral space to identify systematic challenges and gaps (that cannot be resolved within any one organization) and to work collaboratively to develop responsive solutions
