

RHSC Evaluation

Reproductive Health Supplies Coalition External Evaluation: March-June 2012

RHSC Annual Meeting
October 4-5, 2012

EVALUATION of the RHSC

- **ACHIEVEMENT**

Assess how well the RHSC has met its objectives and made an impact on RH commodity security

- **STRUCTURE/PROCESSES**

Assess how well RHSC structures and processes have worked towards achievement of RHSC objectives

- **FUTURE DIRECTIONS**

Recommend how the RHSC's role should evolve in light of the current and emerging environment, and identify measures to improve the efficiency and effectiveness of the RHSC

As detailed in the Strategic Plan, the RHSC's vision is for:

“all people in lower- and middle income countries to be able to access and use affordable, high-quality supplies, including a broad choice of contraceptives, to ensure their better reproductive health.”

MAJOR RECOMMENDATIONS

- **Maintain core focus (FP)  RH, MH commodities**
- **Value for money: stay well positioned**
- **Articulate theory of change, refresh strategy, revise M&E framework**
- **Strengthen country engagement**
- **Regional focus: Promising, expand prudently**
- **Innovation Fund  More flexible funding mechanism with wider scope**

QUESTIONS for CONSIDERATION

- **How do we continue to advance our four guiding principles: equity, contraceptive choice, status of women, and country ownership?**
- **Building on progress made and new opportunities available, which levers of change will allow us as a Coalition to advance strategically?**
- **How may the Coalition more actively engage and become more relevant to the countries where we have members? In turn, what will these members from countries contribute to further worldwide impact by the Coalition?**
- **What are we not doing now as a Coalition that we should be doing?**
