

Recruitment for the position of Director

Reproductive Health Supplies Coalition

About the Reproductive Health Supplies Coalition

The Reproductive Health Supplies Coalition (RHSC) is a global partnership of more than 550 public, private, and non-governmental organizations dedicated to ensuring that all people in low- and middle-income countries can choose, obtain, and use affordable, high-quality supplies and related services to ensure their better sexual and reproductive health (SRH). The RHSC's global Secretariat is staffed and managed by PATH, a global nonprofit improving public health.

Recruitment for the position of Director, RHSC

We are pleased to launch our global search for the new Director of the RHSC who, under the leadership of its Executive Committee, will advance RHSC goals and priorities. With the support of the Secretariat and a global membership, the Director will lead implementation of the current strategy and workplan, and strengthen the RHSC's position as the leading partnership for SRH supplies.

A unique set of qualities

The Director's job promises to be unique, challenging, and rewarding. Our ideal candidate will possess the vision, diplomacy, and tenacity to forge unlikely partnerships for positive change to happen. That person must have the imagination and people skills to bring together donors, civil society, manufacturers, researchers, and logisticians so

that history continues to be made under RHSC auspices. The candidate must be of the conviction that the RHSC's work is not done until every last person has access to a wide range of high-quality, affordable reproductive health supplies. And lastly, the individual must be at home in a wide range of cultural contexts, value diversity and gender equity, and always be open to the excitement of fresh ideas and innovation, challenging obstacles and limitations.

Qualifications

The ideal candidate will have proven leadership in the international reproductive health community, and a minimum of 10 years of progressively responsible professional experience in global SRH. They will have experience in building relationships; strong diplomacy; excellent collaborative and consensus-building skills; and demonstrated people management skills. They will be fluent in English with proficiency in both French and Spanish an advantage. They will have a positive track record in sound budget management and be adept at collaborating with the commercial sector.
