

Information Sheet

AccessRH

Developer

Reproductive Health Supplies Coalition (RHSC), United Nations Population Fund (UNFPA) (managed by UNFPA)

How to access the tool

Website portal located at: <http://www.myaccessrh.org/>

Purpose

AccessRH is a RH procurement and information initiative that improves access to quality, affordable sexual and RH commodities and reduces delivery times for low- and middle-income country governments and nongovernmental organization partners. AccessRH also offers up-to-date information on contraceptive shipments for more than 140 countries worldwide through a website that is unique in the field.

Audience

This tool may be used by program managers at the national level.

Language

English, French, Spanish
