**Procurement Capacity Toolkit: Tools and Resources for Procurement of Reproductive Health Supplies, Version 2**

**Developer**

PATH

**How to access the tool**

Toolkit is available online at: <http://www.path.org/publications/detail.php?i=1652>

**Purpose**

As more developing countries take on responsibility for purchasing health commodities, requisite capabilities, such as decision making, planning, and technical skills, often requires strengthening. To address this need, PATH developed the comprehensive Procurement Capacity Toolkit for those responsible for and involved in the supply of reproductive health products.

**Audience**

This tool may be used at all levels of the health system.

**Language**

English, Spanish

**Keywords**

procurement, supply planning, reproductive health
