

Information Sheet

---

**Tool for Reviewing the Current Status of Access to a Core Set of Critical Life-Saving Maternal/RH Medicines**

**Developer**

United Nations Population Fund (UNFPA), World Health Organization (WHO)

**How to access the tool**

For information on this survey tool, contact Kabir Ahmed ([kahmed@unfpa.org](mailto:kahmed@unfpa.org)).

**Purpose**

The purpose of the tool is to conduct a “snapshot” country-level study on the current status of access to medicines for maternal and neonatal health and reproductive health, which are not routinely monitored.

**Audience**

This tool may be used at the facility level.

**Language**

English

**Keywords**

availability, maternal health, reproductive health
